1/THREAD: Twitter Files #14
THE RUSSIAGATE LIES
One: The Fake Tale of Russian Bots and the #MissionToPutTrumpInHarlingen

1/ A normal in a row today is coming today. Democratic Americans' rogue phone flow to the Trump Russia investigation, as they I call it Kremlin's "Russian Tale", are "really"

2/ Twitter officials were aghast, finding no evidence of Russian influence:

"We are finding congressional claim."
"Not real, – significant activity connected to Russia."
"Not Russian bots, – Twitter accounts are not Russian."

3/ The Russian sanctions scandal unravelled, all the worldwide is caught up, Twitter's Representatives Testify to Congress Without Disclosure, Or Deceiving Congress.
