#89 Unveiling the Deep State: David Rockefeller, George Soros, and the Rothschilds' Deep State Influence on Global Politics and Economics

How High-Ranking Leaders Boast About Their Control and the Implications for Globalism and Communism

At this pivotal moment in time, America finds itself entrenched within a crisis of unprecedented magnitude, one surpassing the gravity of even the tumultuous period of 1776. This isn't merely a crisis; it's a confluence of conflicts. At its core lies an exhaustive information war, but paramount to that, a spiritual battle for the essence of America and the very souls of its people, reminiscent of biblical proportions. The annals of the last fifteen decades bear witness to an insidious proliferation of corruption, tyranny, and moral decay within the fabric of America. The magnitude of malevolence, treachery, sedition, and blatant disregard for the sanctity of human rights, freedom, and liberty, orchestrated by a cabal of global elites driven by insatiable greed and thirst for power, is nothing short of abhorrent. We find ourselves navigating through a juncture in time where the imperative for every American, every patriot, to rise in defiance, to safeguard our liberties and resist the encroaching tyranny lest they slip through our fingers forever. Letters To America serves as a beacon of truth amidst the pervasive fog of deception, illuminating the shadows of deceit that have enveloped our government for generations, empowering you to discern the truth amidst the pervasive darkness of corruption and manipulation, offering insights into the entrenched evils and pervasive corruption that have ensnared our government and compromised the very essence of America, all for the pursuit of personal gain.

Letters to America is a very detailed collection of intel and information based on the truth that the American people need to know about that has been hidden in the shadows and suppressed for far too long. Letters to America is not just a compilation of facts and data; it embodies a profound commitment to unveiling the concealed realities that the American public deserves to be aware of, truths obscured in the obscure corners and

silenced by the mainstream media [FAKE NEWS] outlets. It is a repository of untold stories and hidden narratives and agendas, shunned and suppressed by the behemoth of big tech platforms, including the likes of Facebook. The driving force behind Letters to America is singular and unwavering: the dissemination of unfiltered, unvarnished truth to the people of this great nation. Its mission is to empower individuals to awaken to the veracity that surrounds them, to be informed people, capable of making choices and decisions rooted in the bedrock of truth rather than the quicksand of misinformation, lies and deceit. With depth, integrity, character, and purpose, Letters to America aspires to be the torchbearer of honesty in an era where the clarity of truth is often overshadowed by obscurity.

In today's Letter to America, like always, we embark on a profound journey into the depths of our collective consciousness, where uncomfortable truths reside that are waiting to be acknowledged and confronted. As we navigate the tumultuous waters of our world, it becomes clearly evident that our awareness, or lack thereof, profoundly shapes our understanding of the narratives that unfold before us. The revelations that are chronicled within this letter unveil hidden truths that will challenge preconceived notions, test the boundaries of our beliefs, and ultimately, illuminate the path towards a more enlightened existence. It is in our capacity and our willingness to explore these unsettling truths, to engage with them authentically, and to foster a deeper sense of integrity that will pave the way for a nation that transcends division and seeks the profound unity that binds us all as Americans.

Your level of awakening and consciousness serves as a lens through which the intricate layers of meaning within today's letter unfold, revealing the profound wisdom and insight chronicled within its words. As you delve deeper into the text, your heightened awareness allows you to grasp the subtle nuances and hidden truths hidden between the lines, enriching your understanding of the message and the world around you.

Deep State Banks Support Globalism and Communism

High-ranking leaders of the Deep State behind the Deep State (an expansive network which utilizes political organizations and central banks to further its agenda) have no qualms about bragging over their power. The late David Rockefeller, who was once a leader in the Deep State and the former CEO of Chase Manhattan, was also a member of the Council on Foreign Relations and the Trilateral Commission. Published in 2002, his autobiography mentions

that many suspect his family of being “part of a secret cabal working against the best interests of the United States...conspiring with others around the world to build a more integrated global political and economic structure.” As he concludes, “If that’s the charge, I stand guilty, and I am proud of it.” Rockefeller was a globalist who had no qualms about bragging over his Deep State, “New World Order” agenda.

He also had ties to communism as well, as a New York Times piece reported Rockefeller singing Mao Tse-tung’s praises. In the article, he called the communist revolution in China “one of the most important and successful [social experiments] in human history.”

Here is the New York Times Article:

From a China Traveler

By David Rockefeller

For Rockefeller—who was a key component of the Deep State—success goes hand-in-hand with murder and complete dominance. Whether the Deep State succeeds or fails in creating a globalist existence will likely depend very little on the needs of the lower and middle class.

George Soros, who has given a substantial amount of funds to the Deep State and is tied to the Rothschild family, has made similar comments about China and its communism.

Soros called for China to become a part of the globalist “New World Order” not once, but twice. The second time this happened occurred when he received the Globalist of the Year award from the Canadian International Council. He praised China for their “vigorous economy” and their government that functioned better than the United States. In every corner of the globe, there are high-ranking politicians and officials who all support the progression towards a globalist regime, creating orders like the Union of South American States, the African Union, and the European Union.

Although they are not commonly discussed, the Rothschild family is a supreme group within the Deep State. With more power and money than the average citizen can even comprehend, the Rothschilds have been involved in global finances for over two centuries. Current estimates of the dynasty’s total wealth expand into trillions of dollars.

Centuries of historians have taken note of the Rothschilds and their influence, even tracing their funding to determine the outcome of the Napoleonic wars. Since that time, their wealth and power have continued to grow, expanding from financial services and banking into mining, energy, agriculture, real estate, and more. Despite their attempts to stay relatively hidden and out of the media, their expansive reach makes this impossible.
