DECLARATION OF NON-COMMERCIAL INTENT

(Notice of Private Travel and Lawful Status)

Date: 4-29-2025

From: Trevor Allen Winchell

Address: Auburn, Michigan

Reservation of Rights: UCC 1-308 Without Prejudice

I, Trevor Allen Winchell, a living, breathing, natural man created by God and endowed with unalienable rights, hereby declare and give lawful notice of the following facts, to be placed on public and private record:

1. I am traveling in my private capacity, by right, and not engaging in any commercial activity or business for hire, gain, or compensation at the time of travel.
2. My use of public roads and highways is solely for private, personal purposes, exercising my constitutionally secured right to freedom of movement as protected by:
 - **Article IV, Section 2 of the United States Constitution (Privileges and Immunities Clause),**
 - **The Fifth Amendment (Due Process Clause),**
 - **The Fourteenth Amendment (Due Process and Equal Protection Clauses),**
 - **And the common law traditions of liberty predating the Constitution itself.**
3. I do not identify as a "driver" operating a "motor vehicle" in commerce as defined under regulatory codes. I am not engaged in the transportation of persons or property for hire, nor am I acting as a carrier or operator subject to commercial regulations.
4. I expressly reserve all rights under common law and under the Uniform Commercial Code (UCC) 1-308 to not be compelled to perform under any contract or commercial agreement that I have not knowingly, voluntarily, and intentionally entered into.
5. Any requirement to obtain a driver's license, vehicle registration, proof of insurance, or to otherwise submit to statutes regulating commercial motor vehicle operations, when applied to private travel, constitutes an unlawful conversion of my rights into privileges, which I lawfully reject.
6. This Declaration places all parties on notice that I reserve all rights, waive none, and will travel peacefully, responsibly, and without harm to others, while remaining within the lawful protections afforded to me as a private American Citizen.
7. Any attempt to compel me into commercial jurisdiction, demand commercial documents, or interfere with my peaceful private travel absent a valid, articulable suspicion of a crime causing injury or damage to another, will be considered a violation of my rights under color of law, punishable under Title 18 U.S.C. §§ 241 and 242.

Executed this 29th of April, 2025,
Without prejudice, UCC 1-308, all rights reserved.
