What To Bring To Your Redemption Appointment - Keep This List In Mind & Prepare <3

This is Copied straight from Ginger's Liberty Lounge (THANK YOU SO MUCH GINGER)

🔥WHAT TO BRING TO YOUR REDEMPTION APPT🔥

🔥REQUIRED ⬇️

- ♦ 2 forms of ID - any (not all needed)
- ♦ Driver's license, Passport, birth certificate, marriage license, voter ID, photo ID (work/Costco)
- ♦ 2 proofs of residency in form of utility bill, phone, mortgage, etc
- ♦ 2 blue ink pens - best for signing legally binding documents because there's never any hint forms were "copied".
- ♦ Currency organized by type and by denomination & all facing the same way
- ♦ Did you make a list of all your serial numbers or make photo copies of all your currency? If so - bring with.
- ♦ Spouse/ Family/ Friend? Either is fine - or None.

🔥💎Are You a Humanitarian seeking Higher Contract Rate?💎🔥

- ♦ Bring your Elevate 'speech' [3 min], projecting you as a sovereign Humanitarian & your 1 to 3 page outline of projects. Unknown if you can do that at 1st appt. Some say yes. Others say no - 2nd appt will be required. This is what I believe, personally. Be prepared either way.
- ♦ List of your questions to ask.
- ♦ Your Addendum (for NDA) - list of persons you wish to talk w/ openly and not held to rules of NDA.
- ♦ 10/30/90 Day Plan

List of items/people you'll need fund

- ♦ 10 day... include Health Emergencies or Housing Emergencies and/or request Proof of Funds Letter for immediate property purchases (only)
- ♦ 30... List all the people you want to help, beginning with family/friends. Make it as big as you want.
- ♦ 90... What upsets you about the world we live in? Injustices? What would you like to fix or improve if you could? Dream big!
- ♦ A peaceful, grateful, loving attitude & your inner light shining brightly 💖

🔥OPTIONAL ⬇️

- ♦ Digital Recorder? May be helpful so you don't miss anything. I bought one just for this meeting because you can't record what's being said using your mobile phone ⬇️✅⬇️
- ♦ NO cell phn 📵 allowed INSIDE. You'll need a watch, if you're like me and don't normally wear one. Plus, you cannot retrieve info of contacts saved on your device, you see? You'll have to leave the phone in your vehicle or maybe security will hold it for you up front? But, as I understand it, your mobile phone isn't allowed inside your exchange appointment due to security reasons. Maybe they'll allow you to leave it powered off in your bag, but I'm not sure. I just know you cannot have it out.
- ♦ note pad to record details
- ♦ kleenex
- ♦ reading glasses
- ♦ Routing & Account numbers if you wish to have them transfer *some* funds directly from your QFS account to your existing account, time permitting.

(Note: This is not the time for you to bring in your bundles of cash "mattress money" to have it exchanged to new USN or your country's new currency outside of USA. There will be time for you to make an appointment at your personal bank to do that at a later time. Redemption officials should not be tasked with this as they want these appointments to be quick and efficient.)

🔥To your success, Ginger of the Liberty Lounge
